Some people think that Medicare is all the health insurance they will need after they turn age 65. However, Medicare costs can add up to hundreds—even thousands of dollars.

The Assurance 1 Plan is a plan to supplement Medicare benefits offered by City of Long Beach. Your Assurance Plus 1 Plan policy provides many significant advantages and benefits when you need medical care. Benefits are designed to supplement Medicare coverage.

Assurance Plus 1 Plan is available only to retirees and spouses of retirees who are enrolled in both Parts A and B of Medicare.

Enhanced Benefits To Supplement Medicare Health Insurance

Plan provides the following enhanced benefits to supplement Medicare health insurance coverage:

- It pays your Medicare Part A hospitalization medical copayments and deductible during a benefit period. In addition, if your Medicare hospital benefits and your Medicare lifetime reserve days are exhausted, Assurance Plus 1 Plan pays additional hospital benefits for the remainder of that benefit period, up to a lifetime maximum of 365 days.

- Plan pays 100% of all covered expenses not payable by Medicare up to the plan limit of 100 days

A benefit period is the way Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you first enter a hospital or SNF. The benefit period ends when you have not received any hospital or skilled care (in a SNF) for 60 days in a row. If you go into the hospital after one benefit period has ended, a new benefit period begins.

If you use an Anthem Blue Cross PPO participating physician, the Assurance Plus 1 Plan covers 100 percent of your Medicare Part B expenses beyond Medicare’s coverage.

You must pay:
- The Medicare Part B deductible
- Any amounts that are in excess of your Anthem Blue Cross Life and Health Insurance Company benefits

If you use a non-PPO participating physician, the Assurance Plus 1 Plan covers a portion based on the benefit and the Medicare Part B expenses beyond Medicare’s coverage.

You must pay:
- The Medicare Part B deductible
- Any amounts that are in excess of the Anthem Blue Cross Life and Health Insurance Company yearly maximum of benefits for certain services
- Amounts in excess of Medicare’s Allowable Charge amount

For many seniors, Assurance Plus 1 Plan provides the best value. It also offers the following important features including:
- Emergency care coverage for travel outside of the United States
- A toll-free dedicated customer service number
- Access to our large network of Anthem Blue Cross PPO doctors and hospitals

Emergency Care

Your Assurance Plus 1 Plan covers emergency inpatient or outpatient care... anywhere, anytime.

Because medical emergencies require immediate attention, call 911 or go for immediate treatment at the closest emergency facility. An emergency is a sudden, serious and unexpected illness, injury or health problem. This includes any illness, injury or health problem you reasonably believe could endanger your health if you don’t receive medical care right away.

Notice

This contract may not fully cover all of your medical costs. This outline of coverage does not give all the details of Medicare coverage. Contact the local Social Security office or consult The Medicare & You Handbook for further details and limitations applicable to Medicare.
Your Certificate of Insurance Provides Helpful Information

Your Certificate of Insurance contains important terms of your health plan. It explains the exact terms and conditions of your coverage including the exclusions and limitations of your plan. You should receive a copy after enrolling.
