Partial hospitalization services

Medicare Advantage plans under Anthem Blue Cross follow original Medicare guidelines and billing requirements for partial hospitalization services. CMS regulations (42 CFR 410.43(c)(1)) state that partial hospitalization programs (PHPs) are intended for members who require a minimum of 20 hours per week of therapeutic services as evidenced in their plan of care. All partial hospitalization services require prior authorization.

| Interim Billing on PHP Claims | Effective January 1, 2013:  
- Submit claim in service date sequence as services are furnished.  
- Prior claim must be finalized or incoming claim with RTP. |
| **CMS Medicare Learning Network (MLN) Matters (MM)8048** |  
- Physicians  
- Nurse practitioner (NP)  
- Physician assistant (PA)  
- Clinical nurse specialist (CNS)  
- Certified nurse midwife (CNM)  
- Clinical psychologist (CP)  
- Clinical social worker (CSW)  
- Independently practicing psychologists (IPP) |
| Eligible professionals | A PHP is furnished by a hospital to outpatients that provide partial hospitalization services. Partial hospitalization services are a distinct and organized intensive ambulatory psychiatric treatment program that offer less than 24 hour daily care to patients meeting one of the following criteria:  
- The patient has been discharged from inpatient hospital treatment.  
- The patient would be at reasonable risk of requiring inpatient hospitalization in absence of partial hospitalization.  
- Active treatment is furnished that incorporates an individual plan of care with a coordination of services designed to needs of patient.  
- Treatment includes a multidisciplinary team approach to care under direction of a physician for a minimum of 20 hours per week.  
**Treatment goals**  
- Patient requires comprehensive, highly structured and scheduled multimodal treatment that requires medical supervision and coordination under plan of care.  
- Patient is able to cognitively and emotionally participate in active treatment. |
| PHP services |  
|
Non-PHP services | Items listed below are not PHP services and are paid according to Medicare provisions for each type of service:  
- Services to hospital inpatients  
- Meals  
- Self-administered medications  
- Transportation  
- Vocational training (career)

Payment for PHP | APC payment rate for PHP 5853 — partial hospitalization (3 or more services per day) for hospital-based PHPs
