Turn your focus to better health with your new Blue View Vision™ plan

Eye care that’s off the charts — see all the benefits you get with Blue View Vision!

Eye exams. Do you really need them if you’re seeing just fine? Absolutely. Eye doctors can detect eye diseases and find chronic health conditions like high blood pressure, high cholesterol and diabetes. We think that’s a pretty good reason to get regular exams. That’s why we’re happy to introduce you to Blue View Vision.

Incredible convenience
With Blue View Vision, you have access to one of the nation’s largest vision networks with over 33,000 eye doctors at more than 26,000 locations. You choose how to get your glasses or contacts:

- You can access independent optometrists, ophthalmologists or opticians.
- Call or go online to order glasses or contacts from Glasses.com, ContactsDirect or 1-800 CONTACTS®.
- Visit national optical retail stores including LensCrafters®, Sears Optical®, Target Optical®, JCPenney® Optical and most Pearle Vision® locations.

Many of the retail stores have hours at night and on the weekends. To find in-network providers near you:

- Go to anthem.com.
- Under Useful Tools on the right, select Find a Doctor.
- Next, select a type of provider, place or name.
- Select Search.

If you are searching for an eye doctor before your Blue View Vision benefits begin — select Search as a Guest option.

New this year:
Vision coverage for you and your enrolled dependents.
Get savings and in-network benefits from:

Serious savings — on just about everything
With Blue View Vision, you get a retail allowance. That’s the amount of money that goes toward your glasses or contacts when you buy them from an in-network provider. After that, you get discounts on the remaining balance: 20% off for eyeglass frames* and 15% for conventional contact lenses (not disposables). Plus, your benefits include:

- Standard/basic eyeglass lenses with a factory scratch coating at no extra cost.
- UV-blocking Transitions® lenses and impact-resistant polycarbonate lenses for covered dependents younger than 19 at no added cost.
- A discount of 35% to 40% off extra pairs of glasses anytime, from any network provider.
- A discount of 20% off other upgrades, accessories and nonprescription sunglasses.

Using your Blue View Vision benefits couldn’t be easier
We want you to be able to get your eye care and eyewear when you need it at the price you can afford. Just remember, you’ll save time and money by using an eye doctor or retail store that’s in the network. Take a look:

- When you use an in-network provider, it’s a breeze. All you have to do is:
  - Find an in-network provider at anthem.com.
  - Make an appointment.
  - Show the staff your member ID card. If you don’t have it, don’t worry. They can look up your ID number online if they’re part of the Blue View Vision network.
  - Pay your copay or any remaining balance if you have one.

- When you use an out-of-network provider you’re still covered. But here’s how it works:
  - Pay the full cost of the services you receive at your visit.
  - Get a claim form at anthem.com.
  - Mail your receipt and your claim form to us and we’ll pay you back the amount your plan covers.

Use your in-network benefits with these convenient online providers:

Glasses.com: Call 1-800-GLASSES (1-800-452-7737) or visit glasses.com.
ContactsDirect: Call 1-844-5-LENSES (1-844-553-6737) or visit contactsdirect.com.
1-800 CONTACTS: Call 1-800-CONTACTS (1-800-266-8228) or visit 1800contacts.com.

We’re here when you need us — including nights and weekends

- If you have a question, you can reach us at 1-866-723-0515, Monday through Saturday, 7:30 a.m. to 11 p.m. ET and Sunday, 11 a.m. to 8 p.m. ET.
- Log in at anthem.com anytime to check your benefits.

For more information on Blue View Vision, talk to your benefits manager.

* Discounts do not apply on frames for which a manufacturer has imposed a no-discount policy.

What you’ve read here is a brief outline of the products and services of your plan. It is not a legal contract. To get the details of your benefits, exclusions and restrictions, please see your Certificate.
