**RE: Claims Requiring Additional Documentation (Facility Reimbursement Policy Update)**

Dear Provider:

Anthem Blue Cross and Blue Shield, and our subsidiary company HMO Colorado, (Anthem) would like to inform you of an update to a Facility Reimbursement Policy.

Anthem continues to take steps to improve the payment accuracy of provider claims and reduce post-payment recoveries. To this end, beginning with dates of service on and after July 13, 2018, Anthem will update its claims requiring additional documentation policy to include the following requirement:

- Inpatient stay claims reimbursed at a percent of charge with billed charges above \$40,000 require an itemized bill to be submitted with the claim.

Anthem has engaged Ceris to administer the review of these claims.

For more information, view this policy online. Go to **anthem.com**, select **Menu**, and under the *Support* heading select the **Providers** link. Select **Find Resources for Your State**, and pick **Colorado**. From the **Answers@Anthem** page, select the **Reimbursement Policies – Facilities** link, then **Claims Requiring Additional Information**.

If you have questions or need further information, please contact your hospital contract manager. Thank you as always for everything you do for our members.

Sincerely,
