Help Ensure Medicare Part D Members Receive a Comprehensive Medication Review

The Centers for Medicare & Medicaid Services require that plans with Medicare Part D benefits offer a Comprehensive Medication Review as part of the Medication Therapy Management (MTM) program. A CMR is offered to members who have three or more chronic diseases and who are receiving eight or more maintenance medications. Anthem Blue Cross and Blue Shield employs SinfoniaRx to contact our qualifying individual and group-sponsored Medicare Part D members to complete the interactive consultation. The CMR consists of a consultation followed by a written medication summary to help educate and support provider recommendations for medication adherence. Please ask these members if they have received a letter or postcard inviting them to participate in a Medication Review.
