Update: New MediBlue Select HMO Provider Services phone number

An article in the December 2018 Network Update included an incorrect phone number for MediBlue℠ Select HMO provider inquiries. Providers should use 1-844-421-5662 for MediBlue Select HMO inquiries.

The MediBlue Select HMO provider network supports a specific line of Medicare Advantage products and programs focused on quality metrics and improvements. This plan is available in Hillsborough and Rockingham counties only. MediBlue Select HMO members have Anthem MediBlue Select (HMO) in the upper right-hand corner of their member ID card. MediBlue participating primary care physicians, specialists and hospitals who participate in our Enhanced Personal Health Care Program are designated as participating providers in this network as are all other MediBlue participating ancillary providers and ancillary facilities.
