Natural Disaster Information for CO, IA, ND, and VT

This article is to notify all providers caring for members affected by the Colorado wildfires, and the storm/floods in Vermont, Iowa and North Dakota that certain counties have been declared either a state of emergency or a federal disaster. The following counties have been impacted as indicated:

**State of Emergency Declared:**

**Federal Disaster Declared:**
- Vermont counties of Chittenden, Essex, and Lamoille during the time period of 6/13/13 through 7/12/13.

Throughout the counties, all providers caring for affected members will be considered “in-network” providers. The replacement of medical equipment or supplies will also be approved during this time. All services that require pre-certification must still be approved prior to the service being preformed.
