At Anthem Blue Cross and Blue Shield, we look for ways to get results and achieve goals together. Every day we bring our tools, information, and expertise to the table in ways that benefit our members and providers. With this effort, we introduce Anthem Togetherworks – a new name for our provider collaboration strategy. Anthem Togetherworks refers to a broad spectrum of options already in place at Anthem Blue Cross, and includes programs like Enhanced Personal Health Care (EPHC) and the Quality Hospital Incentive Program (QHIP). Anthem Togetherworks also includes tools we offer, such as our web-based Provider Care Management Solutions and Care Delivery Transformation support, which enable providers’ efforts to adopt a patient-centered care model. Through Anthem Togetherworks, we’ll continue to offer a wide range of provider collaboration programs and offerings based on your needs, to help us work together to meet the challenges of a new era in health care.
